**Subject:** eBay Security Validation: Update Account Notice

Dear valued eBay member:

It has come to our attention that your eBay billing informations are out of order. If you could please take 5-10 minutes out of your online experience and update your personal records you will not run into any future problems with the online service. However, failure to update your records will result in account suspension. Please update your records by October 31th.

Once you have updated your account records your eBay session will not be interrupted and will continue as normal. Failure to update will result in cancellation of service, Terms of Service (TOS) violations or future problems.

To update your eBay records click here:
