FROM MISS Boga Angele

Abidjan Cote D'Ivoire.

Dear Honourable Dad&Mum,

A very nice day to you with all the entire Family Members.

It is a great pleasure & interest / mutual trust I have on you made me to contact you though we haven't meet each other before neither seeing each other for the first time, but before I pick up your address to start writing this letter, I prayed over it that the almighty God should direct me to a trust Worthy and God fearing person who will be my God-Father.

For this simple reason you should permit me to go into introduction first before this mutual relationship will taking place, hence I have made up my mind to acknowledge you as my God-Father.

My name is MISS Boga Angele, the only child of Mr and Mrs Boga Tapé François, who was a wealthy Cocoa Merchant in Abidjan Côte D'Ivoire been the highest Cocoa producer in the World. My Father with his business associates was Exporting Cocoa Crushed Seed to Abroad which he harvested from our Cocoa plantation Farm areas (Soubre in Sub-Ouest of Cote D'Ivoire) and he was latter poisoned to death on the 29th December 2004 by one of our Family relatives during their end of Year Family meeting as a result of envies because he inherited the Cocoa plantation Farm from his grand-Father, while my Mother died during delivering of her second child which coul d have be her second child When I was a baby and after then my Father took me so special because I am his only begotten child.

Before the death of my Father on the 29th December 2004 in a private hospital here in Abidjan Cote D'Ivoire. He secretly called me on his hospital bed side and reviewed to me about the Deposit of (Four Million Seven Hundred and Fifty Thousand United States Dollars) which he made in one Bank.

He also explained to me that it is because of his inherited Cocoa Plantation Farm by his grand-Father with this wealth that he was being poisoned by some of our Family relatives and should encase he couldn't survive with the illness that I should quickly seek for a foreign person who will be my God-Fath er in any of my Country choice where the Money will Transfer and well

secure and save for my future living were the person that I may choose will make use of the Money to take care of me and establish a good investment with the Money on my name over there.

Now, I'm into hideout in one Pentecostal Church were non of my Late Father Family relatives will see me because they are trying to sweep away my Late Father's name in a existence that is why I went into hideout and choose you to be my God-Father as my spirit has reviewed and directed me in this mutual relationship which must be a very nice profitable venture by rescuing an Orphan like me and also be a guardian of my life with this Money as my Father told me before he finally gave up a ghost and My interested areas of the investments are below.

- 1) REAL ESTATES BUSINESS
- 2) HOTELS
- 3) PETROLEUM INDUSTRY

Finally, I am honourably and seeking for your Godly assistance to me through the following ways.

- 1) To provide a Bank account where the Money will be Transfer.
- 2) To serve as the guardians of this Money hence I am a Girl of 19 years old having no knowledge about any Business.
- 4) To make arrangement for me to come over there in your Country to further my Education.

But I'm s till having little bit fear of this communication with you base on what is happening around the Globe this days whether you will latter betray me or abandon me over here after this Money might have well Transfer to your own Bank.

So please you should indicate your full assurance that I can be highly secure and save at your hand without perceiving a feeling of betraying from you after the Money get Transfer.

I look forward to have your full confirmation that I can be well secure and save in your hand.

Thanks and Remained Blessed until I hear from you.

Your Daughter

MISS Boga Angele
