Subject: I NEED YOUR RESPONSE

Dea Sir/Madam,

You may be surprise to read from me.

I am Mrs.Elizabeth Richard,from Pretoria South Africa.

My Husband,Mr.Richard Scott was a Victim of South African "White/Black Farm Owners Clash"

Before his death,I was healthy and working actively in our Farm with my Late Husband.

Unfortunately after his death,I felt sick and was rushed to a Hospital.After all Medical Examinations,it was discovered that I have HIV and Cancer .

This information of my Health conditions have really weighed me down.

We do not have any Child and I would not like our Hard -earned money to be used by the people who killed my husband here in South Africa who killed my Husband.

As if my Husband knew that South Africa cannot support our lives,he kept this money with a Security Firm in Europe,as Family Treasures.

I would like you to collect this money for me ,from the Security Firm.

The Total money there is US\$6,600,000.00.

The Security Company does not know that it is money.They believe that it is Family Treasure as my Late Husband told them.

After collecting this money,you will use only US\$1,000,000.00,US\$600,000.00 will be all forms of Expenses and US\$5,000,000.00 will be for me.

Presently,I am using highly expensive drugs and the money I have has finished.

I would like you to quickly get back to me,so that I will direct you on how this money will be quickly collected.

I wait to hear from you,directly as I do not want my Husband's brother to know that his Brother has any money left behind.please reply to eliz2005@3xl.com

Thanks and God bless.

M/s.Elizabeth Richard.
